

## B.F.A. in Digital Media Design with a Concentration in 3D Animation Degree Requirements

I. Completion of **all** of the following Digital Media & Design B.F.A core curriculum courses (**45** credits):

| Course    | Title                                                                 | Credits |
|-----------|-----------------------------------------------------------------------|---------|
| DMD 1001  | Foundations in Digital Media and Design I                             | 3       |
| DMD 1002  | Foundations in Digital Media and Design II                            | 3       |
| DMD 1101  | Design Lab I                                                          | 3       |
| DMD 1102  | Design Lab II                                                         | 3       |
| DMD 2010  | History of Digital Culture                                            | 3       |
| DMD 3010W | Critical Perspectives on Digital Media                                | 3       |
| DMD 4025  | Portfolio and Professional Development: Putting it All Together       | 3       |
| DMD 4040  | Agency                                                                | 3       |
| DMD 4075  | Senior Project (3 credits each, taken twice in consecutive semesters) | 6       |

|                                                                                   |   |
|-----------------------------------------------------------------------------------|---|
| <b>Nine</b> additional credits in Art/Design/Digital Media/Film History or Theory | 9 |
|-----------------------------------------------------------------------------------|---|

|          |           |   |
|----------|-----------|---|
| ART 1030 | Drawing I | 3 |
|----------|-----------|---|

|                                                                             |   |
|-----------------------------------------------------------------------------|---|
| Select <b>one</b> Basic Studio course for three credits from the following: | 3 |
|-----------------------------------------------------------------------------|---|

|          |                           |
|----------|---------------------------|
| ART 2010 | Life Drawing I            |
| ART 2210 | Illustration              |
| ART 2310 | Basic Studio, Painting    |
| ART 2410 | Basic Studio, Photography |
| ART 2510 | Basic Studio, Printmaking |
| ART 2610 | Basic Studio, Sculpture   |
| DMD 3998 | Digital Drawing           |

II. **All** of the following 3D Animation concentration specific courses (**33** credits):

| Course                                                                                                                                          | Title                                  | Credits |
|-------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|---------|
| DMD 2200                                                                                                                                        | Motion Design and Animation I          | 3       |
| DMD 2300                                                                                                                                        | 3D Animation I                         | 3       |
| DMD 2310                                                                                                                                        | 3D Modeling I                          | 3       |
| DMD 2320                                                                                                                                        | 3D Lighting and Rendering I            | 3       |
| DMD 3310                                                                                                                                        | 3D Modeling, Lighting and Rendering II | 3       |
| <b>18</b> credits of 2000 level or higher 3D Animation electives as approved by advisor. Nine of these credits must be at 3000-level or higher. |                                        | 18      |

### NOTES:

- Senior Project ("C" or better required for graduation)
- Exhibited work in annual B.F.A. Exhibition.
- Digital Media Design majors must maintain a minimum cumulative grade point average of 2.7 for all graded coursework at the University of Connecticut.
- Digital Media Design majors must maintain a minimum cumulative grade point average of 3.0 based on all courses required within the Digital Media Design majors.

## University Common Curriculum Required Courses

### Topics of Inquiry

Students must pass at least three credits of coursework in each of six Topics of Inquiry (TOI)

- [TOI-1: Creativity: Design, Expression, Innovation](#)
- [TOI-2: Cultural Dimensions of Human Experiences](#)
- [TOI-3: Diversity, Equity, and Social Justice](#)
- [TOI-4: Environmental Literacy](#)
- [TOI-5: Individual Values and Social Institutions](#)
- [TOI-6: Science and Empirical Inquiry](#)
- [TOI-6L: Science and Empirical Inquiry \(Laboratory Courses\)](#)

### TOI Requirements

- At least three credits must be passed in each Topic of Inquiry (most courses fulfill two).
- Students must also satisfy a Focus requirement by successfully completing either three courses in a single Topic of Inquiry or three courses within a Theme.
- Topic of Inquiry courses may be counted toward the major.
- Including the Focus requirement, students must pass **at least 21 credits** of TOI courses.
- The 21 credits of TOI courses must be from at least six different subject areas as designated by subject code (e.g., ANTH). For cross-listed courses, students may count any subject code under which the course is offered toward this requirement regardless of the subject code under which they register for the course.
- Students must complete at least one laboratory course in TOI-6 (see TOI-6 for definition of laboratory class). This does not restrict courses outside TOI-6 from having laboratories, nor does it limit TOI-6 courses to be only laboratory courses.

### Competencies

The Common Curriculum requires students to complete competencies in quantitative skills, second language proficiency, and writing.

#### Quantitative (Q) Competency

All students must pass two Q courses, which may also satisfy Topic of Inquiry requirements. One Q course must be from Mathematics or Statistics. Students should discuss with their advisor how best to satisfy these requirements based on their background, prior course preparation and career aspirations. Students whose high school algebra needs strengthening should be encouraged to complete MATH 1011Q Introductory College Algebra and Mathematical Modeling, as preparation for other Q courses. To receive credit for MATH 1011Q Introductory College Algebra and Mathematical Modeling, it must be taken before successful completion of another Q course. In some cases, advisors may recommend postponing registration in a Q course until after the student has completed a semester of course work at the University.

#### Second Language Competency

Second Language competency is established by either:

- passing the third-year high school level course in a language other than English, or
- attaining a Seal of Biliteracy, or
- the second semester course in the first year sequence of college level study in a language other than English.

When the years of study have been split between high school and earlier grades, the requirement is met if the student has successfully completed the third year high school level course. With anything less than that, the student must pass the second semester course in the first year sequence of college level study in a single language.

Writing (W) Competency

All students must take either ENGL 1007 Seminar and Studio in Writing and Multimodal Composition or ENGL 1010 Seminar in Academic Writing or ENGL 1011 Seminar in Writing through Literature. Additionally, all students must take two writing-intensive (W) courses, which may also satisfy Topic of Inquiry requirements. One of these must be at the 2000-level and associated with the student’s major. Approved courses for each major are listed in their sections of this catalog. (Note: ENGL 1007 Seminar and Studio in Writing and Multimodal Composition or ENGL 1010 Seminar in Academic Writing or ENGL 1011 Seminar in Writing through Literature is a prerequisite to all writing-intensive courses).

Note on Additional Competencies

Two additional competencies – Information, Digital, and Media Literacy (IDML) and Dialogue - will be embedded in the curriculum.

YOUR PLAN: TOIs

|                                                                                                       |                                                                     |                                                                                |                                                                    |
|                                                                                                       |                                                                     |                                                                                |                                                                    |
|                                                                                                       |                                                                     |                                                                                |                                                                    |
|                                                                                                       |                                                                     |                                                                                |                                                                    |

*Students are ultimately responsible for ensuring all degree requirements are met.*

- Refer to the **Undergraduate Catalog** for course descriptions and details for all requirements ([catalog.uconn.edu](https://catalog.uconn.edu)).
- All students should regularly run their **Standard Advisement Report in StudentAdmin** to monitor progress towards degree requirements (<https://kb.uconn.edu/space/SAS/10769929317/Viewing+Your+Standard+Advisement+Report>).
- School of Fine Arts students must earn at least **120** credits, at least a 2.0 grade point average for all calculable course work, and have met all the requirements for the specific degree in addition to the common curriculum requirements of the University.
- Graduating students are encouraged to submit their final plan of study through StudentAdmin once they have completed registration for their final term or, at the latest, within the first two weeks of their final term to allow time to adjust their schedules if necessary.
- Major-required courses listed in the sample sequence should be taken in the semester listed below to ensure proper sequencing, ability to take courses in the semesters they are offered, and an appropriate timeline towards degree completion. If for some reason you need to divert from the recommended sequence of major-required courses, please consult with your faculty advisor before enrolling.

### SAMPLE SEQUENCE: B.F.A. in Digital Media Design, 3D Animation Concentration

#### First Semester

-DMD 1001  
-DMD 1101  
-ART 1030  
-ENGL 1007  
-TOI Course

#### Second Semester

-DMD 1002  
-DMD 1102  
-DMD 2300  
-TOI 6 Lab Course  
-TOI Course

#### Third Semester

-DMD 2310  
-DMD 2320  
-DMD 2010 (TOI2)  
-Q Course (MATH or STAT)  
-Language I or Elective

#### Fourth Semester

-DMD 3310  
-DMD 3D Animation  
Elective (3000+ Level)  
-DMD Art/Design/Digital Media/  
Film History or Theory Course  
-ART/DMD Basic Studio Course  
-Language II or Elective

#### Fifth Semester

-DMD 2200  
-DMD 3010W  
-DMD 3D Animation  
Elective (2000+ Level)  
-DMD Art/Design/Digital Media/  
Film History or Theory Course  
-Q Course

#### Sixth Semester

-DMD 3D Animation  
Elective (3000+ Level)  
-DMD 3D Animation  
Elective (3000+ Level,  
DMD 3030 suggested)  
-DMD Art/Design/Digital Media/  
Film History or Theory Course  
-W Course  
-TOI Course

#### Seventh Semester

-DMD 4075  
-DMD 4040  
-DMD 4025  
-DMD 3D Animation  
Elective (2000+ Level)  
-TOI Course

#### Eighth Semester

-DMD 4075  
-DMD 3D Animation  
Elective (2000+ Level)  
-TOI Course  
-TOI Course  
-Elective
